About Me

I moved to Sioux Falls from Minnesota where I worked for many years as a K-12 school social worker and also taught piano lessons. I have a music minor from St. Cloud State University in Minnesota.

I have been involved in accompanying for various musical events and worship music for more than 30 years and have experience teaching beginner, intermediate, adult lessons! I enjoyed teaching a wide range of ages for Sioux Falls Community Ed last school year and love helping children and adults have fun while learning to play piano!

My Favorites

- Being Outdoors
- Peanut Butter
- Anything Involving Music (Playing, Singing, Listening)
