About Me

I have been playing guitar and bass professionally in Sioux Falls over the past 40 years! I also perform throughout the area and am happy to share my knowledge and love of music with students at two locations. With a B.A. from SDSU and a M.A. from Augustana, both in education, I love to motivate & reach students of all ages!

I teach students ages 6 through adults, beginners and experienced on acoustic, bass and electric guitar, ukulele and banjo. I am an inductee in the Iowa Rock and Roll Hall of Fame and in October 2025 I will be a two time inductee in the South Dakota Rock and Roll Hall of Fame!
